We have a great line up of speakers and training this year and a lot of vendors at our vendor show. We are changing things a little this year with our vendor show covering two days instead of putting it all into one day. You don't want to miss out on all that our vendors have to offer. Also we have an outing planned for Sunday evening to Ripley's Aquarium, and shopping at Broadway at the Beach.

Again I want to thank the SGFMA board members, committees, and volunteers for all the hard work they have put into making this year's conference the best ever. Also remember our membership drive; you could be the winner for some extra cash for the most new members you get to sign up. Full details for the contest are on our SGFMA website.

See you at the beach.

Sincerely,
Doug Ingle
